DESCRIPTION

And now for something very special indeed!

This beautiful, traditional, listed farmhouse is a real gem in one of the most sought after locations in Guernsey, close to south coast cliff walks, local restaurants and bars as well as in easy reach of the parish school and amenities.

Set in an idyllic lane, this property is currently set up as a four bedroom house with a sizeable one bedroom dower unit but the house could easily revert to a property of circa 3,500 sq ft.

The garden is simply stunning and planted with a wondrous selection of mature shrubs, trees, plants and flowers and, extending to about half an acre, it is interspersed with various garden buildings which make for the most ideal sanctuary, perfect for family life.

We look forward to sharing images and details with you – contact andy@maison.gg for more information.
