DESCRIPTION

Fancy a sneak preview of these delightful apartments?

Set in St Martin's village, these fully renovated properties will be available in Spring 2027 and are currently undergoing a comprehensive building programme in line with modern regulations.

The result will be lovely low maintenance homes, perfect for downsizers, investors or first-time buyers, each with parking and each with the huge benefit of a designated storage room of 200 square feet!

Two of the eight apartments have been sold already, two are under offer while the other four – a mix of one and two bedroom units – and a detached one bedroom cottage, will be ready for viewing shortly.
