DESCRIPTION

In the course of full renovation, we are delighted to offer two wonderful studios, both of over 600 sq ft and with more space than most one bedroom apartments.

Part of a completely refurbished former office block, boasting sound proofing and upgraded to a comprehensive list of modern building regulations, these stunning properties are on the first and second floor respectively and are situated in a convenient yet quiet location in the heart of St Peter Port.

Available for viewings, the anticipated completion date is end of August.
